

**South Carolina
Lutheran Retreat Centers**

Our Mission: We provide places of hospitality where congregations, communities and individuals can experience a Christian environment to renew faith, foster fellowship, build memories and encounter the glory of God's creation.

Our Ministry: SCLRC operates Camp Kinard near Batesburg-Leesville and Coastal Retreat Center on the Isle of Palms. Camp Kinard provides over 300 acres of forests and lakes in the rolling hills of the midlands. With cottages and motel-style lodge rooms, both youth and adult groups can be comfortably accommodated. Coastal Retreat Center is approximately 200 yards from the ocean with twenty bedrooms, each with a private bath. Through these facilities, people have the opportunity to experience God's glorious creation. Groups and individuals use time to strengthen and renew faith and build memories.

Our Needs: Through your participation in this golf tournament, you help SCLRC expand its ministry to groups and individuals. You help maintain facilities for retreats, reflection, prayer and worship. And you support opportunities for learning by persons of all ages.
