Christian concern for the environment is shaped by the Word of God spoken in creation, the Love of God hanging on a cross, and the Breath of God daily renewing the face of the earth. Journey with us as we explore the ELCA Social Statement on Caring for Creation: Vision, Hope, and Justice adopted by the 1993 Churchwide Assembly. Learn ways Camp Kinard responds and how you can answer this call!

SPECIAL GUEST REV. DR. DAVID DONGES

TUESDAY, OCT 27TH, 2009

Schedule of events for your day!

9:30 a.m. – **Registration & Welcome**

10:15 am – **“Caring for Creation”**

Retired Bishop David Donges reveals the biblical theology of the ELCA’s Environmental Social Statement. Discover the reasons why we are responsible for the earth, and how caring for our fragile planet is a profoundly spiritual matter.

11:30 a.m. – **“Reduce, Reuse, Recycle... OH MY!”**-

What is source reduction? What can be reused? What can be recycled in Lexington County? Why are the “three R’s” so important? What happens if we don’t recycle? Megan Weidner, the Recycling Coordinator for Lexington County, has all these answers and more. Come listen to her talk “trash” about Lexington County and turn all of us “green”!

12:45 p.m. – **Lunch served in Dining Hall**- After enjoying a delicious lunch, rock your worries away on Kinard’s rocking chair porch!

1:45 p.m. - **Camp Crafts and Hayrides**

- Get creative with the great outdoors! Environmentally friendly crafts will be waiting for your magic touch. When you’re not creating works of art, enjoy your natural surroundings on a good ole’ tracker pulled hayride, exhibiting God’s Glorious Creation we are protecting with our “green” efforts!

3p.m. - **S’more fun and Closing** -

We’ll conclude the day’s activities with a delicious camp tradition, S’mores! Enjoy making marshmallow, chocolate, and graham cracker sandwiches with your friends around the camp fire!
